  GroGel Plus-B provides immediate nutrition and hydration for all baby poultry in a very concentrated and digestible form.

Our responsibility - We ship fresh fertile eggs and send extra eggs with orders if they are available. We breed as close to the American Standard of Perfection as possible, but we do not guarantee show quality. We will provide you with healthy quality chicks, poults, ducklings and goslings.

Your responsibility – Is to start and care for your fertile eggs, chicks, poults, ducklings and goslings upon arrival. Please refer to our website pages "Policies & Ordering, Care Tips" and our extensive Link page for information on hatching fertile eggs, raising poultry and waterfowl.

☐ **ACE Courier-(chicks + shipping costs + $30 standard size chick box (holds 12-25 chicks)**
☐ **Xpresspost (Eggs + shipping + $6 for packaging)**
☐ **Pick up at Farm**

If purchasing shipped eggs, please check your eggs for cracks etc. carefully before you set them in an incubator. That is why we send extra eggs. Let your fertile eggs sit in a cool room with the fat end up for 24 hours before incubation. See our Care Tips and Hatching Eggs pages on our web site for more information. Happy Hatching☺

We do not refund deposits on chicks nor eggs unless we can't supply the order. We are not responsible for delays nor losses by Canada Post for shipping.
There is no insurance on eggs. Canada Post will not reimburse the sender or receiver for the contents.
Remember that hatching eggs are not guaranteed to become chicks. See our policy page for more details.
